

The Flow of Algebraic History

In the Old Testament, Moses is connected to Egypt and Daniel to Babylon. Note also how Jerusalem is the geographic center of these creative developments and that Jesus Christ, born in Bethlehem (just south of Jerusalem), God manifested in the flesh, is the logos, the Word, the light of the universe (John 8:12), the center of all things because He created all things and holds all things together (Colossians 1:15-17). He is the ground of all rationality.
