

# Money

Question: What is capitalism?

Answer: The exploitation of one man by another.

Question: What is communism?

Answer: Vice versa.

Cited in Ron Aharoni, *Arithmetic for Parents*, p. 135

Communism is a wonderful theory. There is only one problem: it can be implemented.

Cited in Ron Aharoni, *Arithmetic for Parents*, p. 191.

60% of your estate is spent in the last 6 months of your life.
